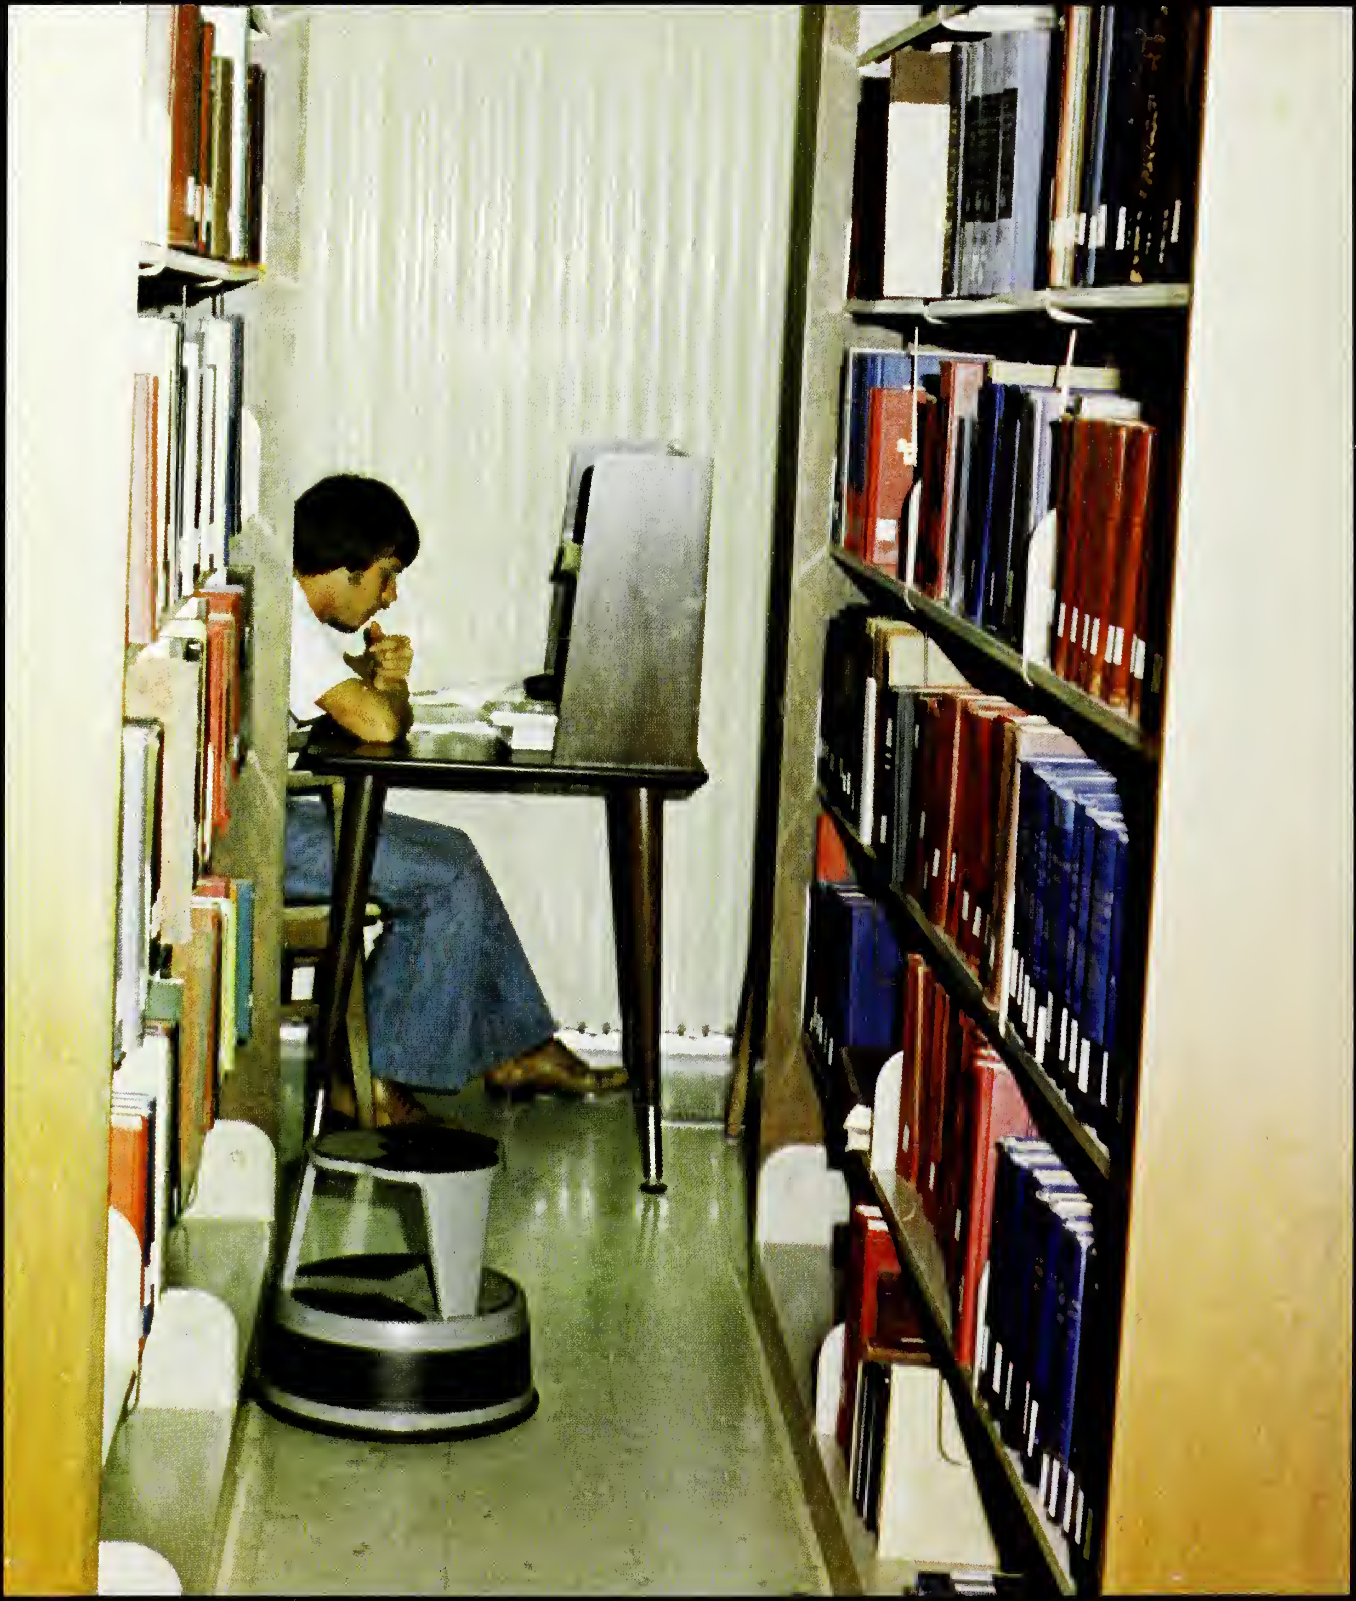
WIZARD!

the musician may sing to you of the rhythm which is in all space, but he cannot give you the ear which arrests the rhythm nor the voice that echoes it



for reason, ruling alone, is a force confining; and passion, unattended, is a flame that burns to its own destruction

among the hills, when you sit in the cool shade of the white poplars, sharing the peace and serenity of distant fields and meadows . . . . . .

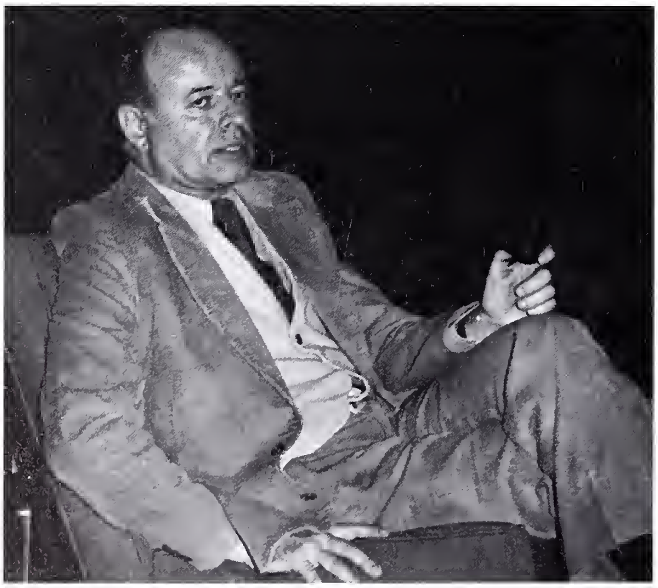
ADMINISTRATION

Dr. Maurice K. Townsend President



West Georgia College
DIVISION OF THE UNIVERSITY SYSTEM OF GEORGIA
Carrollton, Georgia, 30117

OFFICE OF THE PRESIDENT 404 834-4411

Dear Graduates:

Commencement represents one of those high points in your lives when tangible evidence of accomplishments is celebrated. It is a symbol only and, in itself, has relatively limited value. But the accomplishments that a commencement exercise portrays are of fundamental significance to you, your families and friends, and, equally important, your society.

Educated men and women are the basis for this country's future. In a way, this fact is more true now than twenty or fifty years ago. Professional requirements in the business community, health services, government programs and bureaus, and communications industry increasingly are exemplified. Newspaper and television reports about people appointed to high industrial and governmental responsibilities rarely fail to mention educational accomplishments.

Because you have achieved this goal which we celebrate at commencement and because your futures are significantly brighter by this achievement, I wish to convey to you in this way my personal congratulations and best wishes for coming success.

Sincerely,

Maurice K. Townsend

Syndicated Cartoonist Visits WGC

From the hoopla that surrounds the American political scene, David Boyd pulls the humorous incidents and records them visually for the American public. This year he has had no lack of material. The elections of 1976 and their major characters, Gerald Ford and Jimmy Carter, have provided Mr. Boyd with an abundance of material. The Chieftain Staff extends our thanks to Mr. Boyd for providing us with his political cartoons.

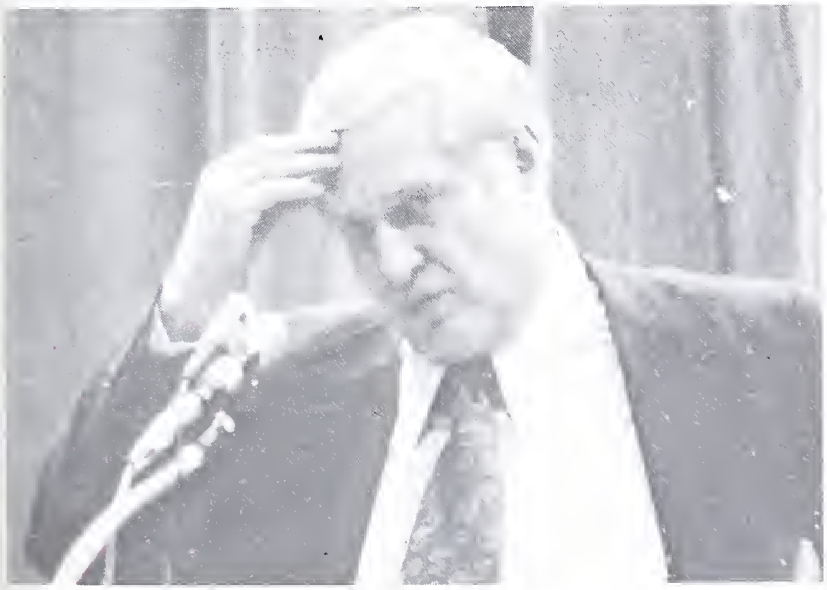
Washington Watch-Dog Checks Out Campus

Jack Anderson



Of all the investigative reporters on the scene today perhaps the most widely known is Jack Anderson. Although he personally dislikes the term 'muckraker', he reluctantly admits that he falls into that group. But through Mr. Anderson's persistence and determination some of the best kept secrets that Washington politicians have to hide have become public knowledge. Mr. Anderson believes that since government officials no longer have a rubber stamp that says 'CENSORED' they have turned instead to rubber stamps that say 'TOP SECRET'. Jack Anderson devotes his syndicated column to publishing the errors and mistakes that politicians would rather see filed away from the public view forever. Mr. Anderson is committed to the idea that the American public is entitled to know what it is getting for its' money and trust.

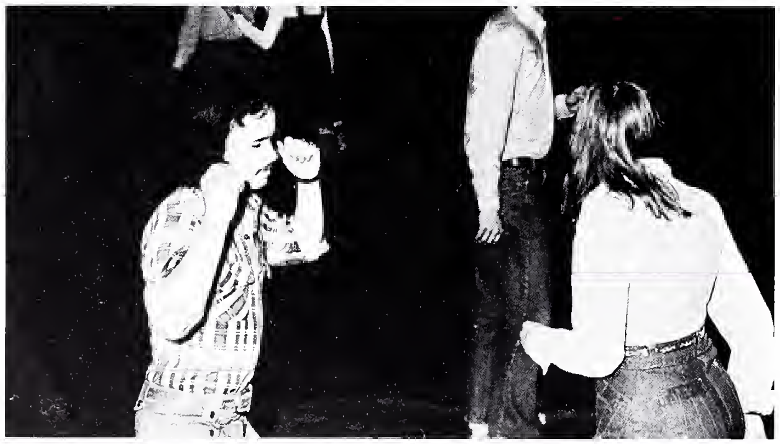
Students Provide Own Entertainment

Z-6 was a favorite site for dances and many organizations took advantage of its facilities.

The students provided their own fun and entertainment at numerous dances and concerts.

Homecoming Concert and Dance



After a vain attempt by old man winter to prevent homecoming, the festivities finally got underway with a bonfire sponsored by Sigma Nu. Later, a dance, featuring Shotgun, got the weekend off to a rousing start.

ORGANIZATIONS

Belonging . . . serving . . . having a place . . . Clubs and Organizations supply a cause, goal and common interest for members to share. Students have an outlet to express their ideas and at the same time have an opportunity to improve their school and community. Through working together with others, every individual reflects his own ideas upon everyone else. Bonds of unity are formed in each club when striving for a certain goal. Many things would not have been possible if the students had not committed themselves to the institution of INVOLVEMENT . . .

WEST GEORGIA COLLEGE CHEERLEADERS

"Two bits, four bits, six bits a dollar, all for West Georgia, stand up and holler."

This was only one of the many yells that express the hopes and devotion of the 1976-77 cheerleaders. From the beginning of the basketball season until the very end, WGC cheerleaders proved to be the most loyal and concerned group of fans on campus.

Although spirit was lagging at times throughout the season, team support became greater when the Braves went up against some of their toughest competitors.

Some of the activities of the cheerleaders include leading cheers at both home and away games, and promoting the games through posters and announcements.

New cheerleaders are selected annually on the basis of coordination, voice, appearance, personality, poise, and eye contact.

West Georgia Soccer Club

Since the club's orgin, 1968-69 through 1973-74, soccer season was primarliy held in the Fall. However, during the past four years, the club has developed its activities through Spring Quarter. Reasons underlying this developement have been: (1) increased monetary support by the Intramural Program, (2) increased student-faculty participation.

According to a 1977 Sports Participation Survey, by the National Federation of High School Associations, Soccer rated tenth most popular high school sport and second fastest growing boys sport during the last two years. The club's annual activities range from Inter-Collegiate matches during the Fall and Spring season to active participation in the Soccer Intramural Program in the Winter.

Due to a late start this past fall, the Soccer Club participated in six inter-collegiate matches ending its 1976 Fall Season with a disappointing 3-3 win/loss record. Among the opposition were: Georgia Tech, University of Georgia, Taccoa Falls and Columbus College.

Under the guidance of Dr. Dave Dugan—Faculty Advisor, Robert "Chico" Moss—Acting Coach and active members, John Green, Doug Del and Robert Batte, the Club looks for a successful 1977 Spring Season. Other established members returning are: Tom Sola, Mark Roland, Tom Callahan, Mark "Bait" Graham, Bill O'Brien, Ronnie Alkire, Steve Thurman, Charles "Woody"Wojcik, Curtis Wright, Robert Roemer, Jim Jandl, and Mike Michelson. Among prospective members to participate this spring: Mike Coloumbe, Tim Allen, Joshua Deitas, David Holton, Lee Morris, Earl Morris, Rex Rooker, Mike Boyd, Tim Duggan, Ricky Smith, Chris Wilson and Richard Gay.

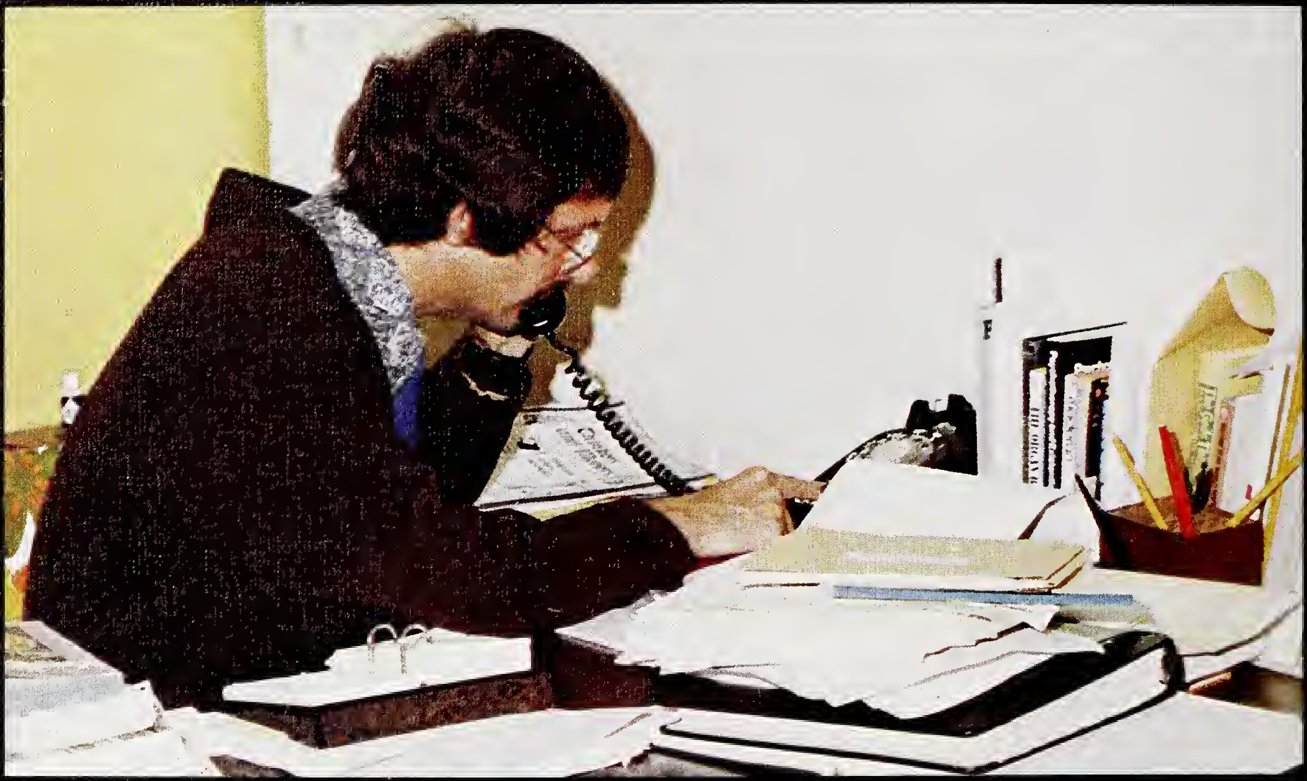
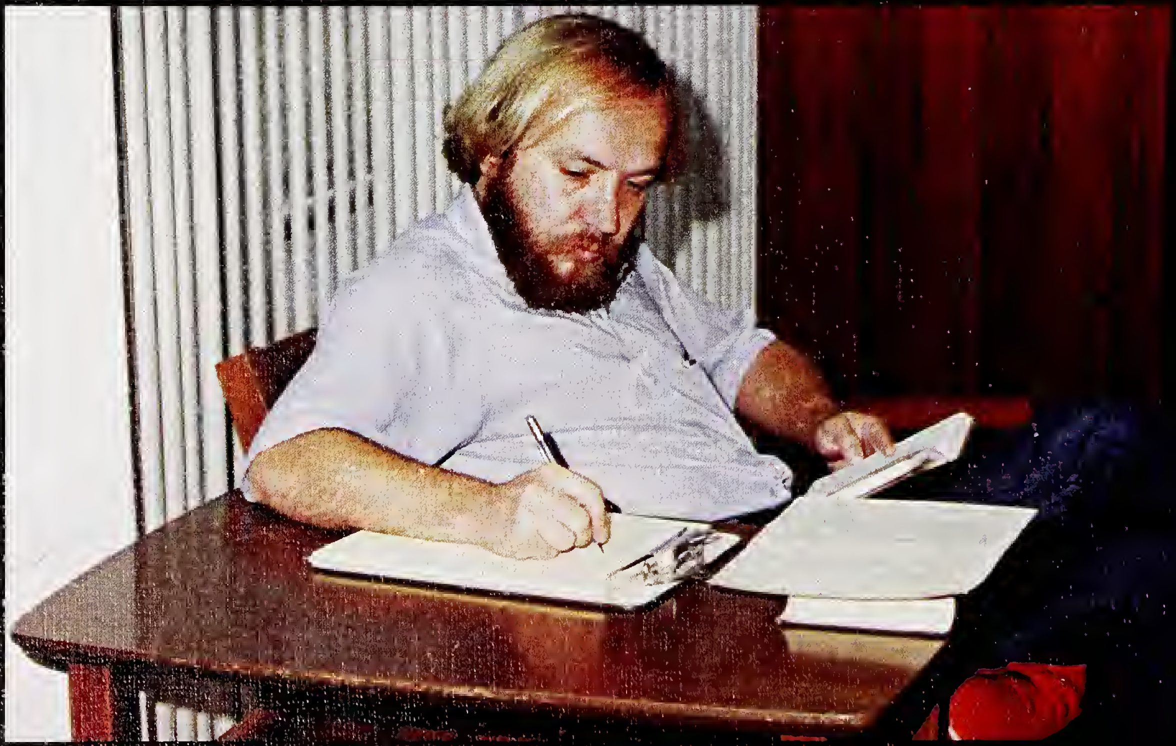
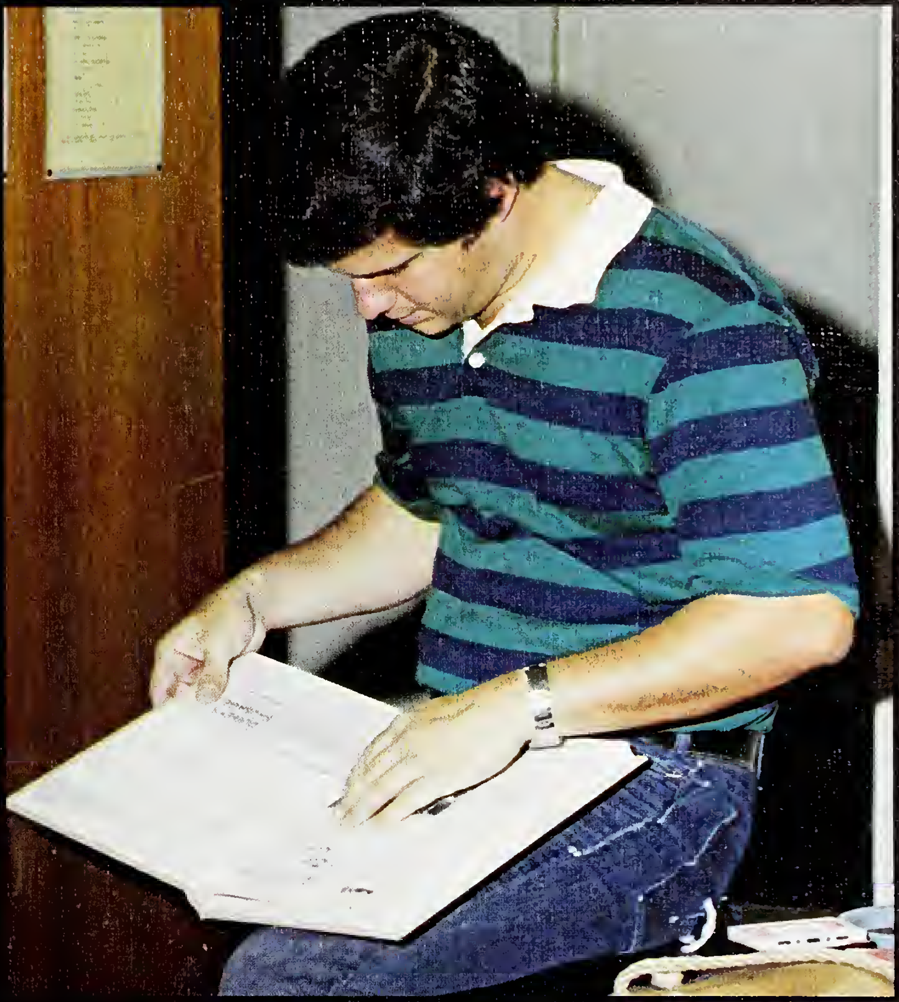
CONCLUSION

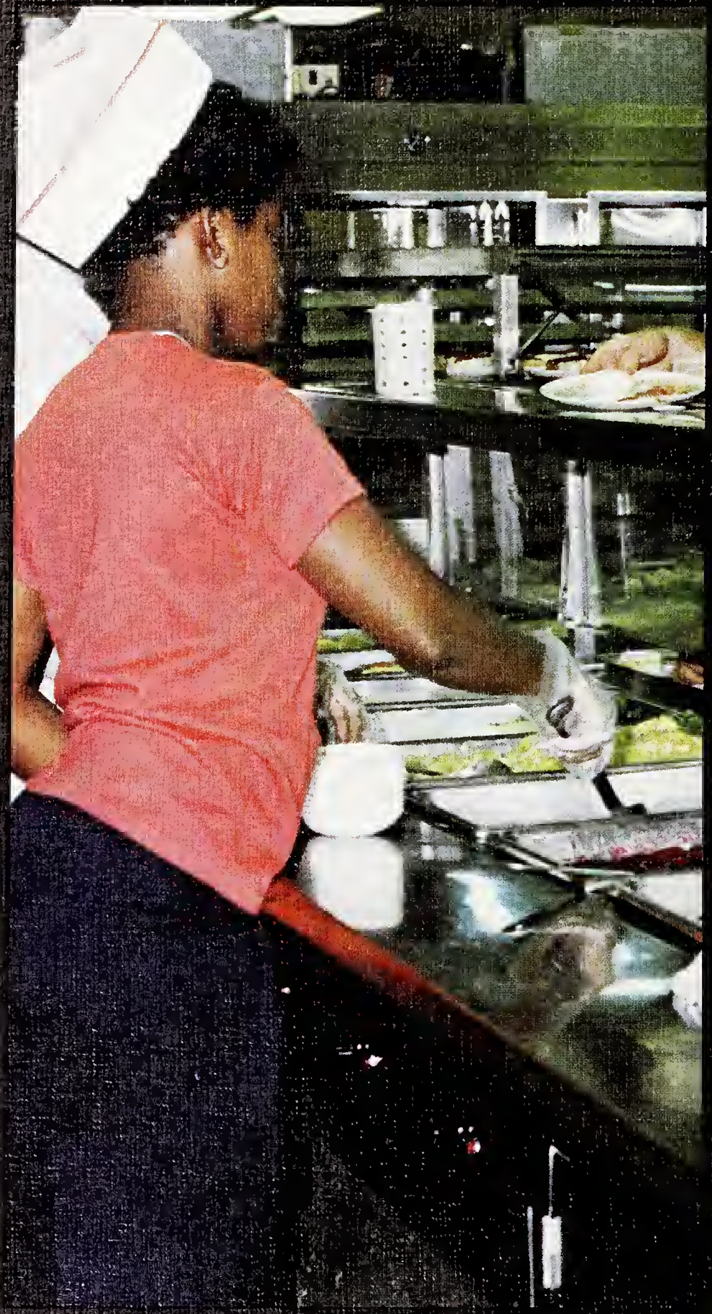


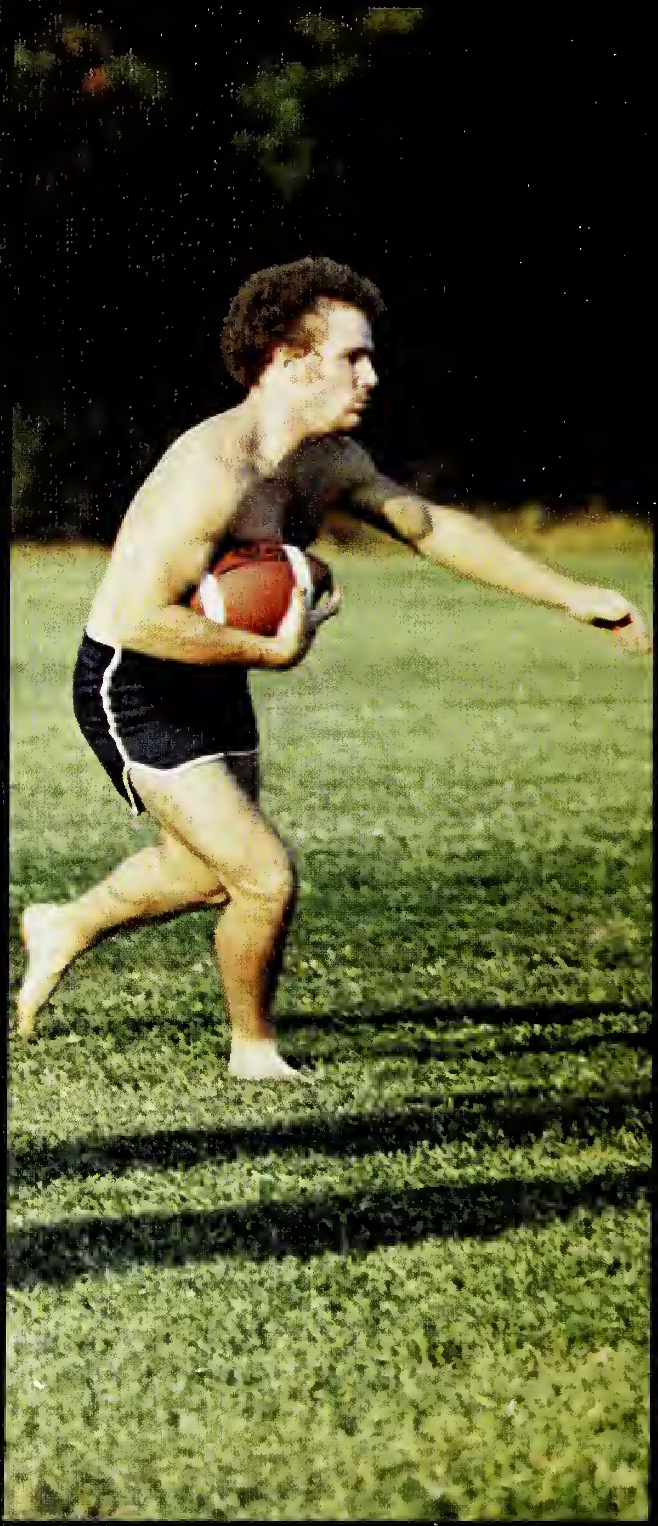




ready am i to go,
and my eager-
ness with sails
full set awaits
the wind

your soul is oftentimes a battlefield, upon which your reason and your judgment wage war against your passion and your appetite





and before you leave the market place, see that no one has gone his way with empty hands

long were the days of pain i have spent within its walls and long were the nights of aloneness; and who can depart from his pain and his aloneness without regret?

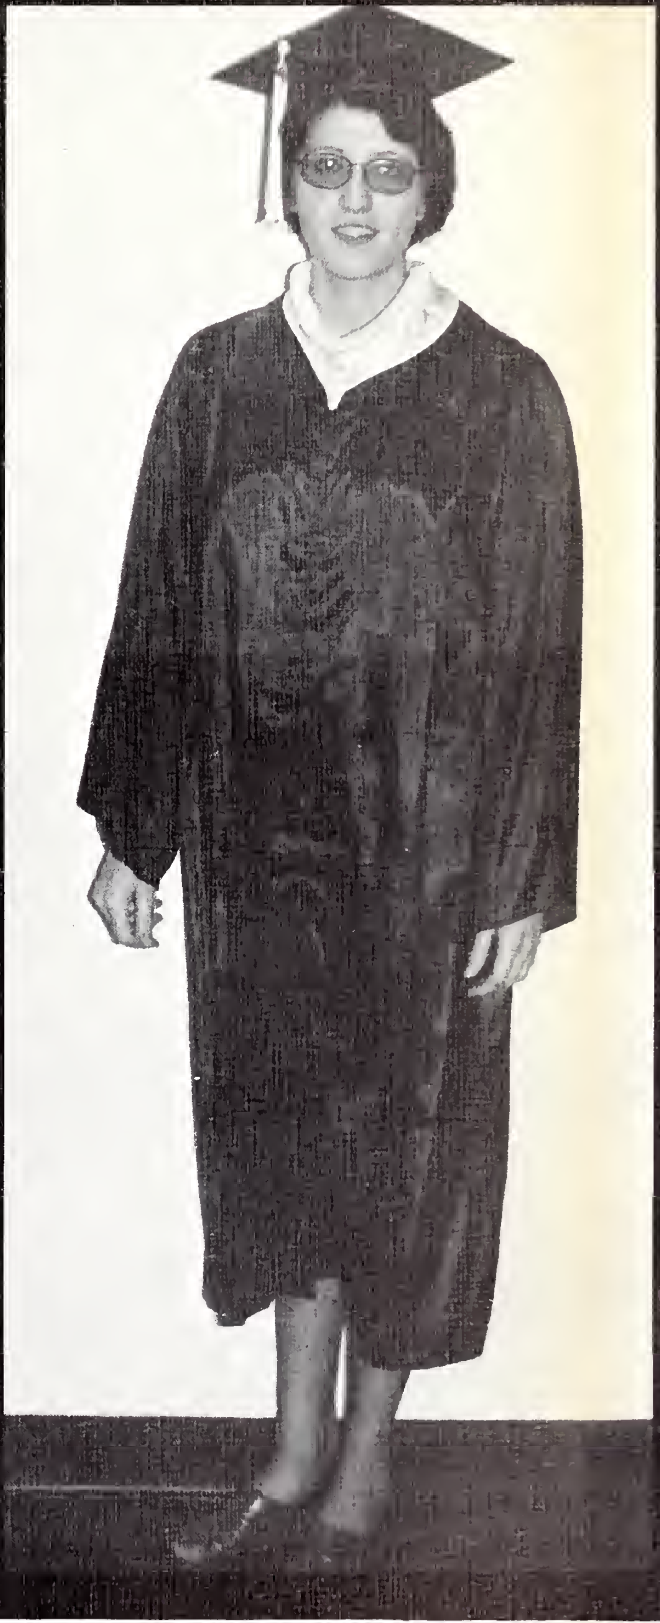
ANY TIME



much in you is still man, and much in you is not yet man

for to be idle is to become a stranger unto the seasons, and to step out of life's procession, that marches in majesty and proud submission towards the infinite

Let Us Outa Here ! ! !

There has been a lot of controversy over the 1977 Chieftain, but it is done now. We did our best, and we are proud of the book. We hope you will find some meaning in it for yourself. Good luck to the 1978 staff, and thanks a hundred times to this year's staff, especially the photographers.

Gail and Art
